

STUDIELINK GUIDE

Step 1

- Go to www.windesheim.studielink.nl
- On the welcome page of Studielink, change the language to English by clicking on the appropriate icon on the right-hand side of the page.

Step 2

Studielink offers two options for logging in.

- If you have the Dutch nationality, a Dutch correspondence address and you speak Dutch, select the option 'Log in with DigiD'. Follow the steps from 2.1.
- If you have a foreign address, select the option 'Apply for a Studielink username and password' and create a Studielink account. Follow the steps from 2.2.

Step 2.1 Log in with DigiD

Select the option 'Log in with DigiD' and log in with your own DigiD username (Gebruikersnaam) and password (Wachtwoord). Click on the button 'Inloggen'.

In the next screen (Create account) you can enter your preferred name, contact details and correspondence language. Your other personal details like names, home address and date of birth are being retrieved from the GBA (Municipal personal records database). At the same moment your previous education will be retrieved from DUO (only Dutch previous education).

When you have entered your contact details you can go to <My Studielink> page. On <My Studielink> page you will find three green buttons. Follow the actions by clicking on the green buttons and check your data. If a previous education is missing you can add it yourself (see step 3). By clicking on the <Enrolment application> button you can add an enrolment application (see step 4).

Step 2.2 Log in via Studielink (create Studielink account)
